Benjamin D. Murphy: worker, poet, revolutionary. When he takes a risk and stands up to his boss, his life changes forever. From factory to zoo to carnival, ***Stairs to the Roof*** celebrates the imagination's ability to liberate the human spirit. This untamed fantasy-romance is Tennessee Williams's youthful dream for the wild at heart, "dedicated to all the little wage-earners of the world."

Scott Zigler, Associate Director of the A.R.T./MXAT Institute for Advanced Theatre Training,
