DETAILS: **The Donkey Show** brings you the ultimate disco experience – a crazy circus of mirror balls and feathered divas, of roller skaters and hustle queens. **The Donkey Show** tells the story of Shakespeare's *A Midsummer Night's Dream* through the great 70s anthems. The enchanted forest of Shakespeare's classic comedy becomes the glittered world of retro disco as the lovers escape from their real lives to experience a night of dream, abandon, and fantasy.

From its six-year run in New York City to a world tour from London to Seoul, the celebrated smash hit **The Donkey Show** has taken Boston by storm. The production has performed to packed houses since opening in late August 2009 and is once again opening its doors for a special late night New Year's Eve blow out.

"The show manages to beautifully walk the tightrope between a burlesque, a cabaret, and a play." — *Harvard Independent*

"Riveting...so visceral that words seem almost beside the point." — *The Boston Globe*
