Every Saturday Night *The Donkey Show* brings you the ultimate disco experience – a crazy circus of mirror balls and feathered divas, of roller skaters and hustle queens. *The Donkey Show* tells the story of Shakespeare's *A Midsummer Night's Dream* through the great 70s anthems. The enchanted forest of Shakespeare's classic comedy becomes the glittered world of retro disco as the lovers escape from their real lives to experience a night of dream, abandon, and fantasy.

Boogie on the dance floor to all the disco hits you know by heart as the show unfolds around you. After the second show, the party continues into the night so you can live out your own fantasy of disco fever at Harvard Square's hottest destination for theater and nightlife.
